Sir:

Applicant, through his undersigned agent, hereby petitions for revival of the above-identified application in accordance with 37 C.F.R. §1.137(b). The above-identified application became abandoned due to the non-payment of the issue fee. This petition is being filed within three months of the initial deadline for payment of the issue fee (June 1, 2005).

Under 37 C.F.R. §1.137(b), a petition to revive an unintentionally abandoned application must be accompanied by (i) a statement that the entire delay was unintentional, (ii) a proposed response unless it has been previously filed, and (iii) a petition fee in the amount of \$750.00 in accordance with 37 C.F.R. §1.17(m).

(i) Applicant, through undersigned counsel, hereby

states that the entire delay in filing the required reply, including timely payment of the issue fee, from the due date for the reply, i.e. June 1, 2005, until the filing of a grantable petition pursuant to this paragraph, was unintentional.

(ii) As the proposed response, attached is the payment of the issue fee form PTOL-85B. The issue and publication fees payment for a small entity in the amount of \$1,000.00, is attached, i.e. to be charged to the American Express account of the undersigned as per the attached form PTO-2038.

(iii) Please also charge the petition fee of \$750.00, as set forth in 37 C.F.R. §1.17(m) to the American Express account as indicated on the attached form PTO-2038.

The granting of this petition and the forwarding of the application for processing to issuance of a patent is therefore earnestly solicited and respectfully requested.

Respectfully submitted,
